

The Art of Creation

animals. God designed different flowers to come out at different times so there are flowers available throughout the seasons. But that is not all. As their time to be beautiful comes to an end, flowers are transformed into fruits, vegetables, nuts, and seeds, which continue to de.1 (d)-.1 (o)- 3d s2 (e) TJ -0.01 -/ c1.6 (n)-24t5ooJ01(o.8 (h)-3 (e b)-18.2 (e)-ct-431(56)-(6)-1.(3)06(6)

Susie Vander Vaart is an environmental educator and ecologist who spends most of her time outside exploring creation.
